Business Club

# Let's mix business with pleasure!

**The Axalta Business Club gives you exclusive access to a wide range of added value refinish services and training, an inside track to the latest developments in the industry and the chance to share knowledge with other key players in the refinish world. Not to mention some great opportunities for having some fun with like-minded professionals.**

## **Added value refinish services, training & tech insights**

Experience exclusive and enhanced service offerings from financing to training. The Axalta Business Club also gives you privileged access to Axalta management so you can get direct feedback on any issues you might have and even influence future Axalta offerings.

## **Professional networking, knowledge sharing**

Use the Axalta Business Club as a platform for exchanging, sharing and discussing the latest developments in refinish. Meetings, presentations and special events put you in touch with the key influencers in the refinish world - and help keep you ahead of your competitors.

## **Fun social events with like-minded professionals**

Special trips and networking events are not only informative but enjoyable social occasions too. Meet fellow refinish professionals in a relaxed and fun atmosphere to chat about trends in the industry - and a whole lot more!

## **Want to stay in the know? Join the club!**

*The Axalta Business Club gives you a stake in defining the shape of our industry going forward as well as a competitive edge for your own business by keeping you ahead of the curve. Ready to mix business with pleasure? Register now at: [refinish.axalta.eu/abc](https://refinish.axalta.eu/abc)*
