

Cerulean™

Waterborne Industrial Wood Coatings

Sustainable technology, superior performance.

Perfect for:

- Kitchen and bathroom cabinets, office furniture, architectural millwork and store fixtures
- Consumers whom are sensitive to harsh chemicals
- Users that prefer a more sustainable product for minimal impact on the environment

All the benefits you need:

- Ready-to-spray viscosity
- Self-seal clear system
- High solids for improved economics
- Fast dry-to-sand and recoat times
- Excellent flow and leveling
- Solvent-like feel
- Can be applied with:
 - Conventional
 - HVLP
 - Airless
 - Air-assisted airless
- Surpasses all KCMA performance standards

Sustainable with superior performance, Axalta's Cerulean™ Waterborne industrial coating offers advanced water-based technology for exceptional wood finishes. The low-VOC/HAPS-free solution maintains remarkable performance, feel and durability. Most importantly, the easy-to-apply formula reduces hazards to workers, consumers and the environment.
